## Rick Cianfaglione, PSP

### Senior Claims Analyst

Mr. Cianfaglione has a decade of extensive field experience on major projects ranging from \$1 million to \$300 million. He has worked on a wide variety of projects throughout the United States including schools, convention centers, highways, hotels, municipal buildings, and stadiums.

While working for a number of large construction managers in the Northeast United States, Mr. Cianfaglione's positions ranged from Assistant Project Manager to Superintendent. In these positions, his duties included assisting with the purchasing of trade contractors, development of individual bid packages, reviewing of subcontractor bids, taking part in scope review meetings; project engineering, reviewing and administering trade contractor change order requests. During this time, Mr. Cianfaglione was also responsible for the development, updating and analysis of CPM schedules for the design and construction on a wide variety of building projects.

Since joining ARCADIS, Mr. Cianfaglione has combined his extensive field experience and scheduling skills to perform a variety of construction consulting services including the analysis of construction defects, evaluation of extra work and productivity claims, and the assessment of responsibility for project delays.
