

## Education

Civil Engineering, Roger  
Williams University

Law, University of Bridgeport,  
School of Law

Architecture, Roger Williams  
University

Years of Experience  
Total – 35

Professional Registrations  
Professional Engineer: State of  
Connecticut

Certified Safety Professional

Contractor's License Qualifier:  
State of: California, Nevada,  
Louisiana, Connecticut

Additional Training  
Mobil Cranes and Rigging -  
Crane Institute

Blasting - DuPonte Blasting

Seismographs - TI Seismic  
Monitoring

Software Expertise  
Primavera – P6 Certification

Awards  
Engineering Citation – Rhode  
Island Engineering Society

Reel of Merit – Toronto Film  
Association

## Kevin D. Ouellette, PE

### Senior Consultant

Mr. Ouellette is a Licensed Professional Engineer and Contractor with over 30 years of experience in the construction industry. Mr. Ouellette has acted as an expert witness and has appeared as a guest speaker across the country on subjects relating to construction claims and inherent liabilities.

Mr. Ouellette has directed teams of architects, engineers and contractors in the development of cost-to-complete estimates, preparation of expert reports, construction supervision and claim analysis. This includes the preparation of critical path schedules, performing cost schedule analysis, damage analysis and technical issue assessment on a variety of matters including heavy/highway, bridges, airports, hospitals, commercial and school projects. This also involved several unique projects such as the Washington Monument and the Capitol Building Dome in Washington, DC.

Previously in his career, Mr. Ouellette was the Vice President of Operations for the largest suspended access rigging firm in the nation. This position included the management and execution of numerous design-build projects. Mr. Ouellette was the point-of-contact person responsible for the estimating, design, manufacturing and construction activities within the US and internationally.

## PROJECT EXPERIENCE
